

Narcotics Certification

<u>Vehicle search (exterior)</u>	4 vehicles	one blank	12 min.
<u>Building search</u>	5 rooms	one blank	15 min. (Rooms will be approximately 200 – 400 Square ft.)
<u>Large vehicle search (interior)</u> (Bus, airplane, truck etc.)	1 find		6 min.

- ◆ Two misses allowed for certification. 75%
- ◆ Total of two distractions throughout the certification in different locations.

Examples of distractions:

- > food
- > animal odors
- > clean packaging materials
- > pungent but not harmful chemicals
- > clean reward toys, etc.

All substances must be planted 30 min. prior to testing.

Maximum weight on hides, 100 grams

Team cannot miss any single odor twice.

Basic odors for certification:

- > marijuana
- > methamphetamine
- > cocaine
- > Additional hides can be made to accommodate additional odors (MDMA, Heroin etc.)

Indication must be obvious to the certifying officials and called by the handler

Search areas may be added to accommodate testing of additional odors.

Test will be judged pass/fail
